

California newspapers are participating in the observance of National Newspaper week, October 1 to 8. Slogan for this year is "The Free Press—Torch of World Peace".

The Daly City Record joins in the observance of the week by reminding its readers that the free press of America has always been and will ever be one of our nation's indispensable guarantees of liberty and justice. There is neither time nor space to go into a lengthy discussion of The Record. In past years we've held open house or run pictures of the staff at work. This time, most of the staff is in the armed forces, and frankly, if we invited you to an open house, there wouldn't be a chance of getting the paper off the press on time. Ordinary newspaper problems have been multiplied many times during the recent war years, even for a small local paper like this one.

There follows the proclamation of Governor Earl Warren:

"California newspapers will from October 1 to 8 participate in the observance of National Newspaper week.

"In recognition of the remarkable wartime record of the American press—a record of service to community, to the nation, and to the cause of world freedom—it is fitting that the entire citizenry of our state should join in the observance.

"Working as a team—a free people enlightened by a free press—we have met the unprecedented demand of our day in an inspiring manner. Our production record and our fighting record stand as eloquent illustrations of popular understanding of why battles have had to fought and why victory must be complete.

"Even in the face of wartime restrictions and curtailments, our press has risen to new heights of service. In a world that is on the march, it has kept us alerted to trends and realisms. On its pages will be found explanation of the tremendous determination and application of the people, and on those same pages will always be found encouragement for a central community effort and assumption of civilian responsibility.

"With these thoughts in mind, I, Earl Warren, Governor of California, take this occasion to commend the daily and weekly newspapers of California for the many and splendid public services performed during the months our nation has been at war and do hereby urge that further public recognition be given the truism that 'without a free press there can be no democracy.'

"In witness whereof, I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this twenty-seventh day of September, A. D., One Thousand Nine Hundred and Forty Four."

(Signed) Earl Warren,
Governor of California

Annual Picnic

Grace Church of the Nazarene will hold its annual Sunday School picnic, Saturday, October 7, at Balboa park, San Jose and Ocean avenues. A full day's program of fun, beginning at 10 a. m., is planned. All members of the Sunday school, their families and friends are invited, according to Reverend D. C. McKisson, pastor, and Mrs. Charles L. Wheeler, school superintendent.

Families are to bring their own picnic lunch. As a highlight the Sunday school will provide a special treat. Canteen service will be supplied by Boy Scout Troop No. 141. Games and contests for youngsters and adults have been scheduled.

This is rally month at the Grace Church of the Nazarene Sunday school. There will be a special gift for everyone attending, Sunday, October 8.

War Chest Canvass Starts

Set Date For Fathers' Night P. T. A. Meeting

Seven Parent-Teacher associations will participate in the annual Fathers Night program at Jefferson Union high school auditorium, Tuesday evening, October 17. They are: Jefferson Union High School P. T. A., Crocker P. T. A., Woodrow Wilson P. T. A., Colma P. T. A., General Pershing P. T. A., Brisbane P. T. A., Bayshore P. T. A.

Principal speaker of the evening will be Henry C. Hall, San Mateo county director of child welfare and attendance. He has been described as a very interesting speaker and the public, fathers in particular, are urged by the P. T. A. groups to attend the night meeting.

Hold Impromptu Fire Drill Monday

Pupils of the Jefferson Elementary district and Jefferson Union high school had their first fire drill of the fall semester under the direction of Chief Andrew P. Chesney, Assistant Chief Arthur J. Bodien, and Battalion Chief Elmer Kennedy, Monday morning, October 2. Each building was emptied completely in the test. It is expected that better time will be made in subsequent drills, according to Chesney. The parochial school at Our Lady of Perpetual Help parish, being closed for the day, will have its drill at a later date.

At the elementary schools, R. L. Crane jr., superintendent, was present to watch the pupils' response to the unplanned drill.

Here's the record for the schools tested, Monday: Woodrow, 310 pupils, 72 1-2 seconds to empty the school; Thornton, 64 pupils, 43 seconds; Jefferson elementary, 300 pupils, 61 seconds; Crocker, 183 pupils, 48 seconds; Pershing, 264 pupils, 61 seconds; Woodrow No. 2, 230 pupils, 67 seconds; Jefferson Union high school, 600 students, 81 seconds.

Local Draft Board Attend Conference

Problems of the assistance to be given returning war veterans by Selective Service boards were thrashed out at a meeting in the San Francisco district coordinator's office, this morning, October 5. Daly City Draft Board No. 103 was represented by Chief Clerk Mrs. Isabelle Flynn and Assistant Clerk Miss Elsie Oleese.

Additional names of local men who passed pre-induction physical examinations, September 23, were supplied by the board, this week. They were Herbert Stewart, 1052 Brunswick street; George Schenone, Colma; John Wierzbicki, 260 Acton street, and John Gonsalves, 74 Miriam street. Thirty-seven men were sent from the local board office to take the exams.

John Bettencourt, 11 Hillcrest drive, and Albert Olivieri, Colma, were among men under the jurisdiction of the local board who reported for actual induction, September 25. Both entered the U. S. Army.

This month's requests from the armed forces include an induction call for three men, October 23, and a quota of 36 men to take pre-induction physicals, October 31.

Plan Two Dances For Service Club

Saturday night dances are on the schedule of activities for members of the armed forces at the Daly City Servicemen's club, 6201 Mission street, both this week and next. Currently, members of General Pershing P. T. A. are hostesses at the popular service center.

Next week, starting, Sunday, October 8, Crocker P. T. A. will be the organization in charge at the club.

Police To Practice At Target Range

Five members of the Daly City Police department, Roland Petrocchi, Edward Beecher, Roy Beecher, James Welsh, and August Benassini, began practice at the target range of the San Francisco Police, near Lake Merced, yesterday, October 4. They are attending the firearms training course again today and may continue it weekly, Wednesdays and Thursdays, Acting Chief William P. Bolger said. Men of the local force on the daytime shift are unable to attend because of duties here but at a later date the training may be made available to them, too. Use of the range was made possible to local officers upon the invitation of San Francisco Chief Charles W. Dullea.

Eleven men reported for the Monday, October 2, sessions of the special training school being sponsored by the Peninsula Police Officers' association at San Mateo. F. B. I. agents are providing much of the instruction.

Matters requiring police attention in the past few days included several juvenile theft cases. In one of the instances the child was taken to a juvenile home when it was discovered by Chief Bolger, Officers Benassini and George Savage that he had stolen many tools and a pocket watch from the warehouse of Colma Lumber mill at Bruno avenue and School street. The theft was reported by the mill, October 2, at 11 a. m.

Officer Henry Sundermann jr. recovered a stolen car near Bocci's at Colma, September 27. It was a DeSoto 2-door sedan belonging to George Welnick, 6860 Mission street, who had reported it taken from that address at 8:40 a. m.

Officers Petrocchi and Edward Beecher investigated an auto accident at East Moltke and Mission streets, September 28, 10:40 p. m. Drivers were Joseph Lewkowicz, 501 Vista Grande avenue, and Lila Dushram, 223 Leavenworth street, San Francisco. An auto belonging to Emil Fassler, 272 Niagara avenue, San Francisco, had to be placed in Daly City garage, following a collision, October 1, 4:35 p. m. at Vale and Werner. Driver of the other car was Louis Firpo, 63 Werner avenue. Officers Sundermann and Benassini investigated. Another October 1 accident which ended with one of the cars in a garage occurred at 7:50 p. m. (Continued on Page 2)

Only One Change

Miss Genevieve Blue, chief clerk, announced, this week, at O. P. A. Board No. 83-12-3, 470 Grand avenue, South San Francisco, that Daly City and Colma retailers would not receive new point charts for October. Instead, Point Chart No. 20 will continue in use.

There is only one change to be made on the chart and that is the increase from 16 to 20 points per pound for creamery butter.

Early this week no official word had been received on when the next shoe stamp will become valid.

Winter Baseball League To Open

Sunday, October 8, will mark the opening of the Peninsula Winter Baseball league, with games scheduled for the diamond at Marchbank park in Daly City, each week of the season. In the initial contest, the Bear Photo Service team will meet Laundry Workers No. 26, starting at 2:30 p. m.

Earlier in the day, a 10 o'clock game is slated between the Bear Photo A's, managed by Charles Norry, and the Sherry Bees. At 12 o'clock the Daly City Juniors will meet a team to be announced later.

Last week, the Bear A's were held to a 4-4 tie score by the Amazon Boys club, while the Coast Guard trounced the Regal Pale, 12 to 2.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Casualty lists of U. S. soldiers wounded in action appearing currently carry the name of **Kendall T. Van Pelt**, Daly City. However, news of Staff Sergeant Van Pelt being wounded by shrapnel in France had been received by his wife, Mrs. Ada Van Pelt, 348 San Diego avenue, in August. He was hit, July 15, in France, where he had been since D-Day.

This week, after a brief visit with his parents, Mr. and Mrs. Horace Fellows, 163 Vista Grande avenue, Private **Wilbur Fellows** returned to Washington State College, Pullman, Washington. This will be his second term at Pullman. He is taking a course in engineering.

Fellows is a popular graduate of Jefferson Union high school.

Corporal **Dennis Leyden**, an aviation mechanic, is now in Alabama at Courtland Army Air field. Previously he had been at Chanute field, Illinois, and Amarillo Army Air field, Texas.

Leyden is the son of Mr. and Mrs. J. Leyden, 3328 San Jose avenue. He writes that it means a lot to read The Record each week to find out where his friends from the home town are. He reports that in two years in the service he hasn't met a Daly City fellow.

Mr. and Mrs. A. W. Robertson, 371 Irvington street, have received word from their son, **Alfred Robertson**, of his promotion to motor machinists mate second class. He has been in the South Pacific with the U. S. Navy for twenty months.

From a Twentieth Bomber Command base somewhere in India comes news of interest to Californians in Daly City and vicinity. It is the recent announcement by a nearby B-29 maintenance unit of the promotion to sergeant of **Arthur E. Peterson**. Sergeant Peterson is the son of Mr. and Mrs. Nels Peterson, 98 Alexander avenue, Daly City.

Sergeant Peterson was a member of the Mission high school graduating class of '33 and continued his studies in the extension division of the University of California. Prior to induction in March, 1943, he was employed in the Pacific Telephone and Telegraph company, San Francisco, as a telephone statistician and draftsman.

Sergeant Peterson completed his basic training at Sheppard field, Texas, and later attended engineer-mechanic school at Oakland, and crew chief training school in Burbank, California. Peterson is an armorer-mechanic in his Superfortress squadron.

Issue Last Call In Salvage Drive

This is the last call for newspapers and magazines in the current waste paper drive. The collection ends, tomorrow, October 6. Residents having paper which they want disposed of in the near future are asked to give it to elementary school pupils or to take it themselves to the school nearest their homes. Bundles should be tied neatly in foot-high size. This deadline does not mean that Daly City people are to stop saving waste paper. The salvage committee urges them to continue. However, it will be some time until the next pickup so this is the time to get rid of any accumulation, according to R. L. Crane jr., chairman.

Next salvage job which pupils of the elementary district will tackle is the collection of tin (properly cleaned, flattened, and delabeled tin cans, remember?) Local residents are urged to cooperate by saving the tin for the youngsters who will take it to the schools for disposal into channels which will get it back into uses essential to the war effort. Collection dates will be announced later.

Daly City Has Quota Of \$2,950

House-to-house canvassers have begun calling upon Daly City residents to meet the \$2,950 goal set for them by the San Mateo County War Chest. Mrs. Clara E. Lane, chairman of the campaign for this community, expressed the hope that each person called upon will make his response in keeping with the needs of the hour. These needs are great as they include war front agencies such as U. S. O., War Prisoners Aid, United Seamen's Service, relief agencies for the fighting allies, in addition to support of home front health, welfare and character building agencies.

In San Mateo county the home front causes which will benefit from the drive are five councils of Girl Scouts, Boy Scouts, Y. M. C. A., San Mateo County Blood Bank, Salvation Army, San Mateo County Catholic Charities, San Mateo Preventorium.

Daly City's business houses and stores are being contacted by John Degliantoni, Mrs. Horace Fellows, Mrs. Marce Trier, and Mrs. Lydia Lorenzo. Division leaders assisting Mrs. Lane with the canvass of residential areas are Mrs. Hazel Marsh, south end; Mrs. Mary Crane, Vista Grande tract; Mrs. Cecelia Hale, Crocker tract. For those who are not at home when the volunteer collector calls, a desk will be staffed to take contributions, Wednesdays and Fridays, 10 a. m. to 4 p. m., at the Red Cross workroom in Theatre hall, just above Daly City theatre. Checks or money orders, made out to the San Mateo County War Chest, may be mailed directly to Mrs. Lane at 634 Hanover street. County quota is \$215,000.

Mrs. Lane will contact all local organizations by letter for their assistance in the campaign.

"This War Chest drive offers citizens an opportunity to contribute at one time to all the home front agencies they have supported in the past, plus worthy Allied front organizations," Mrs. Lane pointed out.

Colma District

Colma district's crew of War Chest workers has been increased by the addition of a group of Colma girls attending Jefferson Union high school. They are Cecelia Accinelli, Barbara Callan, Anne Griffin, Angelina Micheletti, Doris Pardini, Eleanor Saliou, and Gloria Scramaglia.

New additions to the general committee are Mrs. Tom Callan and Mrs. Eda Giusti.

Anyone in Colma district desiring to make a contribution to the War Chest, who is not called upon by a canvasser, may send checks, made payable to San Mateo County War Chest, to Mrs. Alma Garibaldi, chairman, or Mrs. M. Pauline Brown, co-chairman, Box 1653, Colma, 25, California. For those who would find it more convenient checks or money orders may be left at the Colma branch, Bank of America, San Pedro road, with John Ferrari or Leo Graziani.

Mrs. Jose Bermuda, chairman of Garden Village, is being assisted in her house-to-house canvass for War Chest contributions by Mrs. J. H. Tucker.

About Town

Miss Mable Davidson, a cadet nurse from Washington, D. C., has been visiting her brother, First Class Petty Officer **E. E. Davidson**, 581 Hanover street. She returns to Washington to be capped, October 7.

Davidson is recuperating from an injury received while on duty in the South Pacific.

Joseph Powers sr., 538 Winchester street, has been appointed district commissioner, suburban area, by the San Francisco Area council, Boy Scouts of America. He was formerly neighborhood commissioner.

"The Hairy Ape" Now On Screen Of Local Theatre

The first motion picture version of "The Hairy Ape", Eugene O'Neill's famous modern fable of the beauty who reached through a barrel chest and touched a tender heart, starring William Bendix and Susan Hayward, with John Loder and Dorothy Comingore in prominent roles, opens at the Daly City theatre, tonight, through United Artists release.

This drama of two individuals on opposite sides of the railroad tracks—a spoiled society girl and a rough-and-ready yet sensitive stoker—was produced by Jules Levey, a sales executive turned producer.

It was Levey who finally convinced O'Neill after 22 years that his grim, intensely human drama, which once shook New York theatre-goers out of their seats, could be successfully presented on the screen. Mr. O'Neill, who himself once tried vainly to write a picture script, gave his blessings to one prepared by Robert D. Andrews and Decla Dunning.

The new script changes the original O'Neill view of hopeless and irreconcilable class hatred into the promise that anyone who gains the proper perspective of his own lot will be happy if he tries.

William Bendix plays the part of the hairy-chested "Ape" who is jolted almost into insanity by the invective hurled at him by a society girl, acted by Susan Hayward.

And Miss Hayward, playing the most unusual role of her career, becomes a despicable but lovely brat who gets what's coming to her. Director Alfred Santell has made wide use of pantomime throughout the picture. There is no dialogue at all between Mr. Bendix and Miss Hayward. All the action is based on a nine-word speech spat at Bendix by Miss Hayward when, attired in a classic white dress, she descends into the grimy stokehole of a freighter on a lark to see "how the other half lives."

She arrives just as Bendix, the boss stoker, pushing himself and his men almost beyond endurance, is shouting and cursing against demands for more and more steam. They come face to face and both are profoundly shocked.

The picture version of the play works out their difficulties and adds a happy ending. In the play, the stoker, crushed and beaten, is killed by a real ape whom he tries to best in order to regain his self-esteem. In the movie the stoker actually does regain his lost ego when he realizes that all women, whether they are in penthouses or in waterfront dives, are essentially the same human beings once their hair is down.

Subordinated to the abnormal theme, but still an important part of the movie is the love story played by John Loder and Dorothy Comingore. One of the most ambitious sets ever built on a sound stage is the freighter on which most of the action takes place. The photography was done by Lucien Andriot. Unusual shots in the picture include a waterfront brawl in Lisbon and a frothy bubble bath in which Miss Hayward reads some of her most effective lines while showing her effective figure.

NOW AT DALY CITY THEATRE

William Bendix holds the inert Susan Hayward in a tense moment from the thrill-packed drama of the sea—"The Hairy Ape," Jules Levey's realistic production of the Eugene O'Neill Nobel Prize-winning play now at the Daly City theatre through United Artists release.

Extend Night School Registration

Since enrollment was light for the courses offered at the Jefferson Union high night school, the time for registration has been extended another week. Any adult of the community is invited to sign up for classes.

Classes are in session every Tuesday and Thursday from 7 to 9 p. m. and include English for foreign-born residents, typing and stenography, bookkeeping and machine calculation, youth leadership, and auto mechanics for continuation students.

In order to promote interest in the new youth leadership course, Principal Stanford Hannah sent letters to all local churches and Scout groups giving detailed information on the subjects to be covered by the class. Roy J. Gale, Miss Ella Redkey, and Adolph Hansen are teaching the course.

The high school is located at 6996 Mission street.

Firemen Fight Hillside Grass Fire For Hour

It took all of an hour to bring under control a grass fire which broke out, Monday, October 2, 1:30 p. m. on the hillside near the west end quarry in Crocker tract. Companies 1 and 4, Daly City Fire department, put the blaze out but the gullied terrain slowed progress.

The firemen were supervised by Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy. The alarm was turned in from Box 53.

About Town

Mrs. Dean Wood, 39 Mission circle, will return to Daly City, October 15, after a lengthy visit with relatives at Huron, South Dakota. Her husband is a member of the local police department.

Members of the Daly City Veteran Firemen's association will hold their regular monthly business meeting, tomorrow evening, October 6, at 188 Santa Barbara avenue. President E. J. Romer will call the session to order at 8 p. m.

To Mare Island

Reporting to Mare Island for his internship, October 9, will be Berthold Richard Stuehler jr. who recently completed his medical course at Creighton university, Omaha, Nebraska. This was his eleventh year of study.

Stuehler is at present visiting his mother, Mrs. Frances Stuehler, 136 Peoria street, in Daly City.

At Mare Island, Dr. Stuehler will intern in the U. S. Naval hospital. Before entering Creighton, he attended San Mateo junior college, and the University of California.

Police To Practice At Target Range

(Continued from Page 1)

m. Arthur McLani, Oakland, and Walter J. Fuery, 164 Rome street, San Francisco, collided at Mission and Como. Fuery's car was placed in the B. and G. garage. Checking the incident were Sergeant Ricco Benedetti and Officer Petrocchi.

Officer Sundermann transferred 7-year-old James Saunders, 6057 Mission street, from Alemany Emergency hospital to Community hospital, San Mateo, September 29. The lad was reported to have fallen from an ice truck and the steward at the emergency hospital advised the local police department that he needed hospitalization.

September 30, 9:30 p. m., Charles Smith, 6818 Mission street, reported his DeSoto sedan stolen. Local officers broadcast a description of the car and notified San Francisco Police and the county sheriff's office.

Officers Sundermann and Benassini took a report, October 1, on 6-month-old Linda Banks who strangled to death while on a visit in Oakland. The child had been boarded in Daly City and local officers were called to assist in contacting her mother at Menlo Park. Sergeant Robert Hounshell, Camp Daly City, called local officers, October 2, at 12:40 a. m. to report the theft of a Willys jeep, taken from in front of 6233 Mission street.

October 2 seemed to be a bad day for animal bites. Audrey Tilson, 672 Evergreen avenue, was treated at Alemany Emergency for cat bite and a dog bit Caroline Bucher, 281 Hillcrest drive.

Peas To Cost Two Cents More Per Pound

This week's market basket list announced by the San Francisco District Office of Price Administration for the week of October 5 to 12 carries peas at 19 1-2 cents a pound in all areas on the market basket list, which is an advance of 2 cents over last week's price.

String beans appear on the list for the first time since Spring. Their retail price of 17 1-2 cents a pound, in the San Francisco Bay area and San Jose, is slightly lower than local selling prices. String beans are priced at 18 cents a pound in Vallejo, Monterey, North Bay area, and Palo Alto.

Potatoes are down to 22 cents for five pounds in all areas on the market basket list except Monterey, where potatoes retail at 24 cents for five pounds.

A surplus crop of brown, red, and yellow onions accounts for the fact that they are still not included on this week's list, as local stores continue to sell them below ceiling price.

Matoaka Council Will Honor Chiefs

Matoaka Council No. 18, D. of P., will hold a reception for their great chiefs and delegates, October 18. The social committee will serve refreshments and the members of the order are invited to attend.

Matoaka is very active in War Activities and has already donated \$25 to the Veteran's Hospital Fund this term. Chairman Mrs. Mary D. Hamilton presented the check, September 29. Pocahontas Mrs. Pierre J. La Gace has also appointed a committee for rehabilitation. Chairman of this committee is Mrs. Joseph M. Satariano. One of the projects of this committee is to devise ways and means to raise funds in order to purchase Seeing-Eye Dogs for disabled service men and women.

AIR TRANSPORTATION URGENTLY NEEDS MEN

Right now men are urgently needed to work in the essential war industry of air transportation. You can do a war job and, at the same time, have a permanent job in the postwar period.

These are the jobs open at the S. F. Airport: Cargo Handlers, Accounting Clerk, Engine Parts Cleaners, Plane Cleaners, Janitors, and workers in Sheet Metal, Welding, Instrument Repair, Plane Overhaul and Operations, and Engine Overhaul.

Apply United Air Lines, S. F. Airport, Bayshore Blvd. at San Bruno Ave., or 421 Powell, San Francisco.

Plan Improvements At Daly City Theatre

There are going to be some new features at the Daly City theatre—not the kind shown on the screen either. Art Kloth, manager, announces that for the convenience of patrons a new box office is to be constructed. In addition, doors will replace the drapes which now hang at the entrance ways from the lobby into the main auditorium.

This latter improvement is expected to keep drafts and light from the lobby from bothering theatre-goers sitting in the last few seat rows of the ground floor.

El Carmelo Parlor No. 181 Members Give Reception To Honor Mrs. Donofrio

Mrs. Dorothy Donofrio, grand inside sentinel of the Native Daughters of the Golden West and esteemed member of El Carmelo Parlor No. 181, N. D. G. W., was the guest of honor at a reception, Wednesday evening, September 20, in Msaonic hall, 17 Hillcrest drive. Among the many guests present were Grand President Mrs. Emily Ryan, Grand Marshal Mrs. Loretta Cameron, and Grand Outside Sentinel Miss Jewel McSweeney, San Francisco; Past Grand President Mrs. Evelyn I. Carlson, Menlo Park; Supervising District Deputy Grand President Mrs. Stella Zanetti, South San Francisco; Deputy Grand President Mrs. Thelma Locatelli, Redwood City; Mrs. Evelyn Bemis, San Francisco.

Miss Margaret Steele, chairman of the evening, graciously welcomed the guests assembled

and introduced the guest of honor whose address, "The Aims and Purposes of the Native Daughters of the Golden West," was an inspiration to all interested in the order. Grand President Mrs. Ryan spoke briefly, paying high compliment to Mrs. Donofrio as an outstanding member of the order.

A short program of vocal and piano numbers by Miss Doris Lagomarsino, San Carlos; Mrs. LeRoy Johnston, Daly City, and Miss Barbara McGregor, Daly City, added to the pleasure of the evening.

The lace-covered table held delicious refreshments served buffet style. The centerpiece of tall white tapers arranged with red pom-pom dahlias was very attractive.

Greetings and gifts from many friends gave evidence of the kindly thoughts held for this member of El Carmelo parlor.

FIRE PREVENTION WEEK

The President has proclaimed October 8-14 as Fire Prevention Week. Once again the signal has been given for a renewed offensive against our remorseless enemy, uncontrolled fire. Despite the ceaseless efforts of fire prevention authorities, fire losses have doubled in nine years, reaching a total for the past year of more than \$400,000,000.

In an appeal to the American people in commemoration of Fire Prevention Week, W. E. Mallalieu, general manager of the National Board of Fire Underwriters, says: "If America's wartime fire waste is to be reduced it will be necessary for every interested person to cooperate in a campaign to spread information about fire dangers. Fire losses increase because most people are not sufficiently interested, and they are not interested because they have not been informed adequately as to the seriousness of losses and hazards. Citizens who do appreciate, can perform a patriotic job by transmitting information to others and convincing them of the need for special efforts to reduce fire waste. To be specific, begin in your own home by locating all fire dangers there and eliminating them. Branching out from here, tell your neighbors about fire safety and get them to clear all fire dangers from their premises. Then contact fire prevention headquarters in your community and offer your services. Finally, make an effort to promote fire safety in your business. If nothing is being done there, be the one to initiate a safety campaign, for it is patriotic to save materials."

Let's all include fire prevention with our daily work, not just for a week or a month, but throughout the year—and let's start now.

STIFF JOB FOR GENERAL IKE

The newest assignment handed General Dwight D. Eisenhower appears to be just as monumental a task as the one engaging him now. In a recent broadcast beamed to the Reich from Supreme Allied Headquarters, Eisenhower was named chief of the military government to be established in Germany, exercising supreme legislative, judicial and executive authority and striving, as his major objective, to "destroy Nazism" in the conquered country. The proclamation declared:

"The Allied military government will begin the task of destroying National Socialism. It will remove from responsible posts all members of the Nazi party and of the SS and others who have played a leading part in the National Socialist regime."

Chief obstacle in carrying out the difficult program will be the hundreds of thousands of fanatical young Germans who know no other values than those pumped into their minds during all their lives, by their fanatical Fuhrer.

Evidence from prisoner of war camps in the United States tends to show that these young Nazis are unregenerative under the kind of treatment they receive here as a matter of human decency, and there is concern in some quarters that once returned to Germany it is possible they may still furnish the core of a new Nazi movement that may launch a third world conflict.

Literally speaking, any true and fair conceptions of the world and their honorable course in it, has been withheld from young Germans for so long that their thinking on the subject is arrested, their minds closed to other concepts than their own. If ever their sense of human values is to be restored, a drastic remedy surely will be required.

If General Ike knows what the remedy is, he is one of the few men in the world today who do. Certainly, the responsibility for finding the cure and applying it is one of the greatest ever faced by Eisenhower or any other mortal man.

DANGEROUS SOUVENIRS

Not all souvenirs being brought back from the battlefields are harmless mementos of the war.

At the recent session of the Western Conference of Attorneys General, held in San Francisco, California's Attorney General Robert W. Kenny revealed that seven stolen machine guns recently were found in the possession of merchant marine sailors when a Liberty ship reached port. "I entertain grave fears of a post-war crime wave if many more of these weapons get in," he declared, pointing out that "seven men so armed could take over the Federal Reserve bank, since our local police are not equipped to handle this kind of crime warfare."

Remedial measures proposed by Kenny included "tightening of all departments in the search of ships and gear of men returning to port," spot welding of Japanese machine guns on piers to render them harmless, and the vigorous prosecution of men stealing GI weapons.

Sportsmen and others who have objected to restricting the possession and use of firearms certainly did not have in mind such weapons as machine guns. Nor did they intend to countenance traffic in firearms stolen from the armed forces.

Whatever measures are necessary to stop the illegal flow of such weapons into the country should be taken by either the Federal government or the various states whose ports are used for entry. California and the nation already have enough post-war problems without adding to them the materials for a major crime wave.

Wollenberg To Speak At Junior College

Albert Wollenberg, San Francisco attorney and member of the state legislature, will give a lecture before the Peninsula forum at San Mateo junior college, Monday evening, October 9, as the second of the series of talks on the coming national elections. The lecturer will present the viewpoint of the Republicans. The lecture, starting at 7:30 p. m. is open to the general public.

Students at the junior college are not only getting well started in their fall classes but also are developing a strong program of war work on the side. The Red Cross workroom is getting its work underway on surgical dressings, socks, and other articles; stamps and bonds are being sold regularly, and the whole college is contributing to the War Chest

drive.

Enrollment in the adult classes evenings is still in progress. Very heavy enrollment is noted in the Friday evening classes of Civil Air Patrol.

Rodeo And Horse Show Will Benefit Church

The American Cowboys Association of Colma will give a rodeo and horse show for the benefit of Holy Angels church, Sunday, October 22. The event, which will open at 1 p. m., will be held at Washington street and Juniper Serra boulevard. The public is invited to attend and the committee promises an afternoon of thrills and fun.

Assisting with arrangements for the show are a number of parishioners.

Cypress Circle Cancels October Whist Party

Cypress Circle No. 14, U. A. O. D., will hold no whist in October. Instead of a card party, the fourth Wednesday evening of the month, special arrangements have been made to receive the official visit of Grand Arch Druidess Mrs. Eda Pellegrini.

The official visit's date is October 25, 8 p. m. at Colma Community Center building, Dunks street. Committees for the event will be appointed at the business meeting of the circle to be held, Wednesday evening, October 11, in the community center building.

READING & WRITING

BY Juvin Seaver AND Robin McKown

A timely book for today, when the people of France are so rapidly being freed after four years of bondage, is "The Gravediggers of France" by Pertinax.

PERTINAX

Pertinax is the pen name of Andre Geraud, writer for "L'Echo de Paris" for a quarter of a century, and also for British and American newspapers and magazines. The Manchester Guardian once wrote of him that he "usually says today what the French Foreign Office denies tomorrow, but confirms the day after."

In "The Gravediggers of France" he tells the full story of the military defeat of France, the Vichy regime, and the political scene in North Africa. Special sections are devoted to each of the Frenchmen most deeply involved in their country's downfall—Gamelin, Daladier, Reynaud, Petain and Laval. He shows exactly how, why and where disunity, weakness and treason undermined the nation's resistance.

It is a bitter and terrifying story, and we can learn much from it.

No branch of the service surpasses the Seabees in toughness and ingenuity, according to Lieutenant William Bradford Huie, author of a book about them called "Can Do!" He tells this purely apocryphal story. On a certain Pacific island, it is said, natives were mopping up the remaining Japs. One day a group wiped out a party of Japs, but hesitated to kill a strange animal which the Japs had brought along with them. It was a goat, and after observing it closely, they returned to their chief for instructions as to whether or not to kill it. "What manner of beast is it?" the chief asked. "Oh, he's very strange, majesty," the natives replied. "He has fierce eyes, long horns, a shaggy beard, and will eat anything." "Spare him," the chief ruled at once. "Don't kill him. He's what the Americans call a Seabee."

It's a dual selection again for the Book-of-the-Month Club. For November the Club has selected "The American Character" by D. W. Brogan and Herbert Best's novel about revolutionary times, "Young Un."

Oliver Morosco never forgot the opening night of his first play, "Mme. San Gene," Helen M. Morosco and Leonard Pau Dugger tell us in their book, "The Ordeal of Broadway." Instead of staining the seat in the theatre, the famous theatrical producer ordered them painted—with terrible consequences. Much of the paint on the chairs was picked up by the gowns and trousers of the first-nighters. Oliver not only had a hit on his hands, but what threatened to be a number of law suits besides.

INFORMATION FROM OPA

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board)

Mileage Rationing Record—Your Mileage Rationing Record is the white slip which was mailed to you with your new "A" book, replacing your Tire Inspection Record. Your Tire Inspection Record is no longer necessary. This "Mileage Rationing Record" must be presented to the board with each application for a gasoline ration. It is imperative that this be presented with each gasoline application. Failure on your part to do so will delay your gasoline ration, as the application will be returned to you with a request for this "Mileage Rationing Record".

Speedometer Readings—Several persons have recently been called before the hearing panel to account for mileage discrepancies, due to incorrect reporting of speedometer readings on applications for gasoline rations. Please be careful to record the correct speedometer readings on any applications you make.

Price Panel Assistants—Price Panel assistants are volunteer workers, who work under the supervision of Miss Betty Franklin, price secretary. The duties are price surveys on retail stores. The price survey is merely a check-up of a retail store which might be a grocery store, clothing store, or meat market. The person making the survey calls the attention of the merchant to any irregularities or violations of price control regulations. Our local merchants have come to appreciate these

check-ups and have been very cooperative with the people making the survey. Almost 100 per cent of the violations found have been due to a misunderstanding of OPA regulations. These surveys are made very frequently and are your protection against those who charge over ceiling prices. More price panel assistants are needed and the price secretary of the local board would appreciate any assistance you might be able to give. Here is your opportunity to help curb inflation and contribute to the war effort. If you would be interested in doing some of this work, contact Miss Genevieve Blue, chief clerk of the board, or Miss Betty Franklin, price secretary, 470 Grand avenue, South San Francisco.

Price Panel—The Price Panel is composed of volunteer members who meet with the board every Wednesday night at the regular board meeting and as many other times during the week as is necessary to keep the work up. The work consists of processing survey reports turned in by price panel assistants, and checking consumer reports of price violations. If you write your local board reporting a price violation, the price panel takes it up in the regular session, requesting the price secretary to make a check. If the check proves the reported offender to be in violation, the offender is called before the price panel to explain.

The following was written up in a Texas newspaper:
"A resident who admitted he had a good wood-burning stove, recently applied to the OPA for an order to buy a new gas range. His reason was that his wife was ill and no longer able to cut the wood."
"P. S. — Now they're cooking with gas."

Daly City Visitor

Lientenant Governor Fred Houser, candidate for United States Senator, was in Daly City, last Thursday, while on a tour of San Mateo county. He was greeted at the city hall by Mayor A. J. Gagero, city officials, and interested citizens.

Later, he addressed a large audience at San Mateo junior college auditorium. One of his principal points of discussion was his support of federal social security.

A special dinner for Houser had been arranged by Joseph Sarto, his San Mateo county committee chairman.

Miss Ellen Reardon, 232 Los Olivos avenue, was hostess to members of the Young Women's Missionary society of Grace Church of the Nazarene, Friday evening, September 29, at her home. Mrs. Velta Williamson, president of the society, conducted the meeting.

Association Reports On Aid For Schools

The elementary school districts of San Mateo county will receive \$814,938 from the state treasury this school year as state aid toward the education of elementary pupils. California Taxpayers' association said today, making public its analysis of state aid to schools in relation to Proposition No. 9 on the November ballot.

Aid for the elementary schools in the county this year is based on an average daily attendance of 12,430 and on 409 teacher units in the county. Local property taxes are additional sources of support of the schools in the county. Total state aid for elementary

schools in California this year will be \$50,676,686, based on 750,825 pupils in average daily attendance and 25,554 teacher units.

MEN

PART-TIME and PERMANENT AIRLINE JOBS

We're not offering you a glamorous flying assignment, but we've got openings for men who would like to work around airplanes, and want a chance to advance in air transportation.

If you can work only part-time, or if you want a full-time, permanent position, United Air Lines has a job for you. Here are special openings now:

Cargo handlers — you'll load and unload cargo on Mainliner planes. Engine parts cleaners — this job includes cleaning motor parts and cowlings before overhaul. Utility plane cleaners — you'll keep planes spic and span. Spray painters are also needed.

Apply United Air Lines, San Francisco Airport, Bayshore Blvd. at San Bruno Avenue, or 421 Powell Street, San Francisco.

There are 185,000 telephone operators in the Bell System—the largest number in history. As telephone calls have increased, more people have been added to handle them.

Service generally is good but some Long Distance lines to war-busy centers get crowded. Then the operator may say—"Please limit your call to 5 minutes."

We appreciate the way you're going along with that suggestion.

Name Chairmen Of Seal Sale Drive

Judge Maxwell McNutt, chairman of the Seal Sales committee, for the San Mateo County Tuberculosis and Health association, has announced the names of local chairmen for the drive in this area. They are R. L. Crane jr., district superintendent of schools; Mrs. Catherine J. Duffy, 141 Los Banos avenue, and Mrs. Stella L. Jensen, Colma.

At the same time he pointed out that the early deadline set by the Postmaster General for mailing Christmas gifts to boys overseas will not prevent the use of Christmas Seals on the packages.

McNutt said that the seals may be obtained now at headquarters of the association, 115 South Ellsworth avenue, San Mateo. Christmas Seals, which are sold by the association to finance its fight against tuberculosis, will not be distributed generally until November 20. However, due to the number of requests received last year from families and friends wishing to show members of the armed forces they are protecting "the health front" at home, the association is making seals available early for servicemen's mail.

Mailing dates for overseas Christmas packages are from September 15 to October 15.

T. N. Thompson, treasurer of the San Mateo County Tuberculosis and Health association, this week told the Christmas Seal Sale committee that the county must raise its entire quota of \$30,000.00 in order to finance the association's work in 1945. The Seal Sale opens November 20 and will continue until Christmas. This organization is not in the San Mateo County War Chest.

"Our Seal quota this year corresponds exactly with our 1945 needs," he continued. "Christmas Seal money is conscientiously budgeted and is spent with great care. If the entire quota is not raised, it will mean curtailing services which are essential to the welfare of our communities."

Nine Pay Traffic Fines At City Court

Nine violators of traffic rules paid fines at the Friday, September 29, city court session in the city hall. Judge William J. Sweeney presided.

Those fined included: Victor Vello, 23 Caine avenue, San Francisco, signal, \$2.50; Thomas Venich, 153 Gladstone street, San Francisco, speeding, \$5; Robert DeLisle, 350 Maynard street, San Francisco, signal, \$2.50; Albert Olivieri, Colma, signal, \$2.50 with \$1.50 suspended; Earland Peterson, 273 Poplar avenue, Millbrae, signal, \$2.50; Joseph Burlund, 155 Jules avenue, San Francisco, signal, \$2.50; Mamie Mazzurco, 812 Russia avenue, San Francisco, speeding, \$5; Osborne Rice, 1214 Oakdale avenue, San Francisco, speeding, \$15; A. D. Wilson, 99 Knowles avenue, Daly City, overnight parking, \$1.

ACCEPTING fashion's urgent call to color for autumn, CBS actress Cathy ("Stars Over Hollywood") Lewis answers with an artful combination of vibrant tones and figure-flattering lines. Her flame red overblouse was designed by Hollywood's Joseph Zukin to display the fine draping qualities of tetal-suede, as evidenced in the bishop sleeves, soft neckline and slenderizing pepum folds.

Campaign Headquarters

Democratic headquarters for the Congressional campaign in the Eighth district have been opened at 44 North First street in San Jose. The drive to elect Arthur L. Johnson, Democratic nominee for Congress, will be directed by John P. MacEnery, chairman of the Democratic Eighth Congressional committee.

In an announcement issued today, he predicted Johnson would be elected next November 7 by a safe margin.

Naval Air Station Gives Cash Awards

Cash awards totalling \$1030 for beneficial suggestions which have been adopted by the Navy for use were distributed to 20 civilian employees of the U. S. Naval Air station at Alameda, September 28.

The awards were made in his cabin by Captain Walter F. Boone, USN, commanding officer, who commended the awardees for their valuable contributions to the war effort over and above their routine duties. Assisting Captain Boone at the ceremonies was Mrs. Betty H. Richter, secretary of the station committee on awards.

One of the employees received two awards totalling \$105, five received awards of \$100, and one received \$80. Other contributions ranged from \$5 to \$75.

A Daly City man, Arthur Lindgren, 346 Lowell street, was among those receiving lesser awards. He won \$5 for a bolt and washer inserter which he had suggested.

The presentation of the awards was broadcast throughout the station over the loud speaker system. Officials of the station, in conjunction with the War Production committee are sponsoring a drive to promote the submission of beneficial suggestions. These ideas of employees have been found to be of great value in speeding the work of the Navy.

Jeff Indians Lose First Game Of Season

The "Indians," of Jefferson Union high school, lost their first football game of the season to Tamalpais with a score of 27-7. The game was played at Tamalpais high, Saturday, September 30.

Tamalpais' first touchdown was made the first two minutes of the game, while Jeff's came the last quarter of the game.

Next game for Jefferson will be South City, tomorrow, October 6, at South San Francisco. This game will be in addition to the annual Thanksgiving Day classic with South City.

Coach is Marion Hall. Lineup for the first game of the season was Harvey Jans, right end; Thomas Tromborg, left end; Troche, right tackle; Eugene Anderson, right guard; Mervin Francies, end; Vic Bianchi, left guard; Ken Martin, left tackle; Art Valverde, quarterback; Harold Tikkanen, right halfback; Don Welsh, fullback; Bob Plyer, left halfback. Jans was injured in the Tamalpais game. A broken collarbone will keep him out for the season.

Broadcast Rally

Democratic clubs of San Mateo county will join thousands of other clubs throughout the nation in a broadcast rally when President Franklin D. Roosevelt delivers the second radio address of his campaign at 7 p. m. Pacific war time, Thursday, October 5.

Party groups will meet in various communities and campaign reports will be given following the President's address.

"Be Careful!"

Motor Vehicle owners of Daly City, today were admonished by Raymond Cato, chief of the California Highway patrol, that the rainy season is approaching requiring not only more careful driving but a check of various features of the car to avoid accidents.

He advised motorists to check lights, windshield wipers, brakes and tires particularly and make adjustments and repairs if needed.

Chief Cato said a recent check of some 18,000 vehicles in Southern California by the highway patrol indicated about 8 per cent were being operated with defective lights.

"See that your car is in good condition for the bad weather and be sure to drive carefully," he said. "Slippery streets and highways, leaves and mud on pavements, shorter hours of daylight, rain and snow are all contributing factors to accidents in the coming season which is the worst of the year, according to our records. Play safe and take it easy!"

Your WAR CHEST Dollars Go Far

The Dollars you give to the War Chest
work hard both overseas and at home

Wherever our boys are in service—in training camps, in foreign lands, at sea in battle or convoy duty or in dreary prison camps—they need helpful attention, good music or a chance to see a good show from home. Your War Chest dollars travel far to give them that.

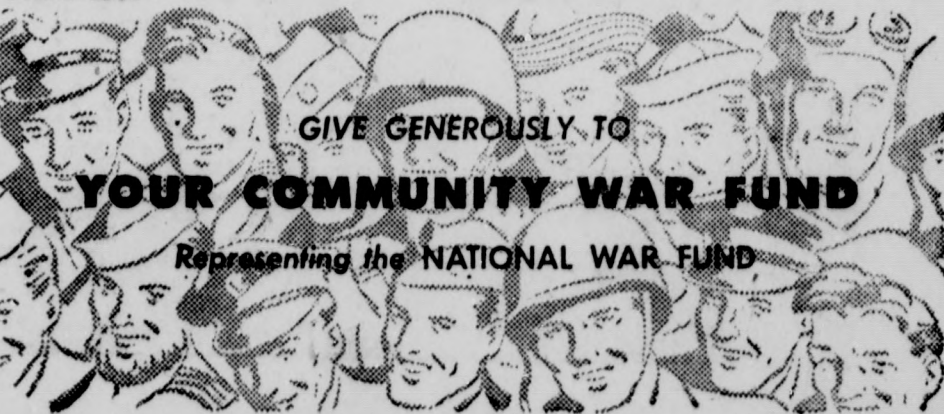

At home, your War Chest is on a fighting front, too. In hospitals and clinics, War Chest dollars battle disease, improve community health. In community centers, nurseries, children's institutions these dollars help prevent child neglect, family crack-ups and juvenile delinquency. Your Chest maintains homes for the aged and supports youth organizations.

During this month of October you will be asked to give to the War Chest in your community. Give more than you now plan. There is a miracle job to be done—make it a miracle by you!

GIRL SCOUTS

Seventy Attend

More than seventy girls and leaders were present for flyup and investiture ceremonies, Friday afternoon, September 29, at the new Scout House, Mission and Theta.

In addition to the Brownies who "flew up" from Brownie Pack No. 8 and girls invested as Scouts going into Troop No. 2 or Mrs. Elsie Hesselein's new Girl Scout troop, several assistant leaders and one leader were invested. These women were Mrs. Mildred Ventura, assistant to Brownie Pack No. 9; Mrs. Ada Schultheis, assistant to Troop No. 4; Mrs. Julia Peterson, assistant to Scout Troop No. 2; Mrs. Ethel Saame, assistant to Brownie Pack No. 8; Mrs. Hazel Marsh, leader of Scout Troop No. 2.

Refreshments, including cake and cookies, were served.

Some of the Girl Scouts have been assisting in the delivery of War Chest posters to the business district.

Mrs. Hesselein announces that she still has openings for new girls in the troop which she recently formed. Those who would like to join may call her at Randolph 1565 for information. The troop is for 10 and 11-year-old girls.

Crocker Troop

Mrs. Muriel Pabst, leader of the new troop being organized in Crocker tract, announces that the age limit for recruits has been extended to 12 years. The Girl Scout Troop meets every Tuesday, 3:30 p. m. at No. 5 firehouse, Oliver and Bellevue. More girls must sign up at once to insure the continuation of the troop.

Girls, 10, 11, and 12, who'd like to have this troop in Crocker tract are urged to participate at once. Assistant leader is Mrs. Cecelia Hale.

Members of Brownie Pack No. 7, which also meets at No. 5 firehouse (Wednesdays at 3 p. m.), has as its current project the making of bean bags. Animal patterns are being used and the little girls find the work quite absorbing according to their leader, Mrs. Marie Pool.

Troop 1 Makes Toys

Girl Scout Troop No. 1 is working on toys to turn over to the Red Cross for Christmas distribution. Another project receiving their attention at this time is their plan for the observance of Girl Scout Week at the end of October.

Members of Troop No. 1 meet every Thursday at No. 5 firehouse, Oliver and Bellevue. Mrs. J. S. Calvin is leader.

Among the toys which the girls are turning out for Christmas are dolls. Anyone who has scraps of material, yarn, or other items useful in the making of dolls, who'd like to turn them in for this project, is asked to call Mrs. Calvin at Delaware 6644 and a Girl Scout will call for the donation.

Take Your Cue from Mexico and Plan a Neighborly Fiesta

THOUGH we don't give many parties in wartime, it's good morale-building tactics to emphasize the festive side of life occasionally. So why don't you follow the good neighbor policy of the countries to the south of us and turn a gathering of friends into a fiesta?

Decorate your refreshment table with little Mexican figures or tiny potted cactus plants and serve Mexican specialties on the menu. It's good neighbor policy to star sombrero sandwiches with a spicy Mocha Froth made of decaffeinated coffee so that everybody can relax taut nerves over friendly extra cups without losing sleep later on. If the occasion demands an informal supper, add a dish of chicken and rice and plenty of fruit, with a spicy cake, for dessert.

The Sombrero Sandwiches are made by cutting circles from bread for the brim, placing a crown-like mound of cottage cheese in the cen-

ter with a hat band or ribbon of pimento around the base. Minced onion or pimento mixed with the cottage cheese adds interest to the sandwiches. Be sure to percolate the decaffeinated coffee from 15 to 18 minutes to bring out its full coffee flavor. You can substitute cream cheese for cottage cheese if you have red points to spare. A very small scoop, if you own one, will make it an easy matter to mound the cheese on the bread; otherwise, you'll find two teaspoons satisfactory implements.

Mocha Froth

1 cup evaporated milk
1/2 teaspoon vanilla
Cinnamon
4 cups freshly made, hot decaffeinated coffee
Chill evaporated milk thoroughly. Then whip rapidly until stiff. Add vanilla. Place in serving cups, filling half full. Sprinkle with cinnamon. Fill cups with coffee. Makes 8 servings.

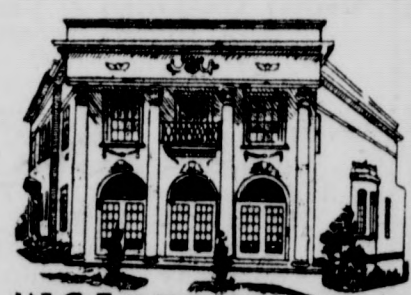

Mrs. America Meets War-Time Cooking-Buying Problems

Have you "that tired feeling?" Look like the symptoms in the patent medicine ads? When you run upstairs, do you feel run-down? Then what you need, lady, is carbohydrates—great gobs of 'em! And one of the best sources of energy-producing carbohydrates is bread and other cereals. Ah-Ah-Ah! No more of that pushing the cracked wheat at junior while you munch the melba—help yourself to a bowl of cereal and energy at the same time.

Any motorcyclists meandering around your menage? Motorcycle riders who are looking for another steed are reminded by OPA that they should investigate thoroughly the ceiling price of their favorite means of locomotion before buying. There are ceiling prices on used motorcycles—even those released by the Army.

"An apple a day—" It's been a long time since British children could join their American cousins in that chant. But now, for the first time since 1941, the people of Britain this winter will taste fresh apples from the United States. Fresh apples will be shipped chiefly as a substitute for lend-lease allotments of dried apples which will be in short supply this season, says War Food Administration.

Looks like the knife-like trouser crease is here to stay—what with Mr. America taking pride in his appearance and the War Production Board aiding and abetting him by speeding up production of

No Colma P. T. A. Meeting In October

There will be no regular unit meeting for Colma P. T. A. in October. Instead, the unit will participate in the joint night meeting of all P. T. A.s to be held at Jefferson Union high school, October 17.

An executive board meeting and dessert luncheon has been scheduled for Tuesday, October 17, same date as the night meeting. It will be at 1 p. m. in the home of Mrs. Helen Thornton, 15 Cavour street. Mrs. Ruth Rowley, president, will conduct the meeting.

Royal Neighbors

Mrs. Mattie Putnam, oracle, will call the regular business meeting of **Vista Grande Camp No. 6035**, Royal Neighbors of America, to order, Friday evening, October 6. The group meets at Little Italy hall, 6229A Mission street, starting at 8 p. m.

Native Daughters Announce Whist

El Carmelo Parlor No. 181, N. D. G. W., is making plans for a night whist to be held, Wednesday, October 18. Miss Adele Wood, president of the parlor, is in charge and assures all those attending of a pleasant evening. Time will be 8:30 p. m. and place, Masonic hall, 17 Hillcrest drive.

"Invite your friends and enjoy an evening with the Native Daughters," the committee said.

There will be a business meeting for parlor members at 7:30 p. m., preceding the public card party.

Last night, October 4, the local parlor held an initiation. Mrs. Margaret Clevenger, Oakland, Mrs. Pieri and Mrs. Linehan, San Francisco, became members at the ceremonies. A social hour followed the meeting and refreshments were served in the banquet room.

By VERA MORESCO

GET YOURS NOW!

Make Friday, October 13, a happy one by buying your ticket to the "Hoo Doo Jump" to be held at the Jeff auditorium at 8:30 p. m. Tickets are now on sale both lunch periods and fifteen minutes after school.

The "Indians of Rhythm," under the direction of Howard Miguel, will be ready to give out with both "jive" and "sweet" music.

Virginia Nestor is chairman, ably assisted by eleven members. By the sound of the title one might have an idea as to what the decorations will be like, but the committee has decided to try to keep them a mystery. Don't delay, get yours now!

J. N. S.

The field trip to Menlo Park has been put on the shelf for the time being, and the members of the Jefferson Naturalist society are planning a gala Sunday afternoon at Golden Gate park visiting the aquarium.

Keep watching the display case in the halls because the club promises some interesting displays.

CADET CORPS

Enrollments are now open for Jeff boys for the Cadet Corps, newly organized at Jeff. This corps gives a special opportunity to become skilled in Army work before receiving draft orders.

Courses in Army training will be offered two days a week, Monday and Friday.

The uniform includes coat, shirt, trousers, tie, and hat. These may be sold after discharge.

This training is in addition to gym, but credits will be given.

LOOK OUT FOR THEM!

Under the leadership of Byron Kimler, sergeant-at-arms, the following students have been appointed to serve on the committee: Ray Chelone, Beverly Clement, Bill Higgins, Ed Milano, Earl Odell, Bob Olson, Jack Palm, Ray Hollingsworth, Gene Somers, Arthur Valverde, Don Van Kirk, Don Welsh, Theresa DeLeon, Alice D'Isep, and Hazel Hendrickson.

It is the duty of this committee to keep order in assembly, in the halls, and at all school activities.

POOR FRESHMEN!

(The following was written by a member of the Totem Pole staff)

"What happened?"

"Did kindergarten close?"

"Who let the midgets in?"

These and many more were the comments made by the upper classmen on the first day of school, as they surveyed the new and incoming freshmen. Some exceedingly weird and frightened

OPERA STARS

Working as stand-ins for "Aida" this season are Ed Boyle, Tom Brandt, Eugene Grant, Bill Higgins, Harland Kinsey, Jerry Kollmann, Philip Morales, Bob Olson, and Eugene Somers.

At their first rehearsal they were led to the dressing room and given costumes of red and blue jumpers, felt neckbands, and ancient Egyptian-styled hats.

SCHEDULE SPEAKERS

Tuesday, September 26, Ivan Branson, speaker, gave a very interesting talk entitled, "South of the Border."

Scheduled for this Tuesday, was James Chen, director of Chinese News Service, Pacific Coast division.

Chen's topic dealt with "China in the War."

For October 10, the student body of Jefferson will have as its guest speaker, Gladys Kraemer, who has spent most of her life in Africa.

The following week, E. Benes, nephew of the president of Czechoslovakia, is scheduled.

This will complete a series of four talks dealing with countries involved in the present world conflict.

BLIND PROGRAM

Pierce Knox, blind xylophonist, presented a program for the students of Jefferson, October 5 at 1 p. m. Also featured on the program was a braille demonstration.

The students were happy to make contributions for the blind. Last spring they contributed almost seventy dollars after hearing a demonstration by Lois Resnick, blind pianist of N. B. C. fame. That amount could buy seven braille books.

These programs are directed by National Transcribers Society for the Blind.

PHOTOGRAPHY CLUB

At the last meeting of the Photography club, Friday, plans for the semester's activities were discussed.

It was decided by the members that a display will be shown each

week on the bulletin board.

The club also plans to take pictures of different school activities to sell to the students, as was done last year.

PAINTINGS

To its collection of paintings, Jefferson Union high school has added, this week, two paintings which the school board purchased in June.

The paintings are scenes of the English countryside. These two paintings augment the collection which now includes several American scenes, and one of Ray Strong's original desert scenes.

RALLY

Yells! Songs! School spirit! There was plenty of them, Friday, September 29, when Jeff held its first rally for the Tamalpais-Jefferson football game held at Tamalpais.

The rally started with a number by the band, "Our Director March" under the direction of John McCarthy, new music instructor.

Yells were given by Winifred Grant, yell-leader, and her assistants, Virginia Nestor, Doris Hahn, Shirley Clarke.

During the rally Coach Marion Hall said a few words and introduced the football team.

Last was "The Axe" given by Winifred, with the hope of success on Saturday.

MARRIAGE LICENSE

A marriage license was recently issued in San Mateo county to Walter A. Jordan, Burlingame, and Marie Richardson, Daly City.

Three Elementary Schools Give Reports Of Activities, Class Work

AT WOODROW

Two still films on "Air Travel" and "Air Transportation" were seen by the pupils of Room 4, recently.

"Soon we will not have room for our coats in our cloakroom. The newspapers for the paper drive are arriving in such quantities that either we or the paper will have to move out," said pupils of Room 8.

The seventh grade is learning about the European explorers of the New World, and the early colonies from which this country grew.

A sound film entitled "Boat Trip" was seen by Room 9 in connection with their unit, "Transportation."

The boys and girls of Room 12 have been studying about Thomas Edison and other inventors of things that are used in the home.

The study of the community is almost finished. Room 14 pupils have a good transportation system with street cars, a bus, and private cars. They have a Red Cross station and a library, also a victory garden and small home.

The pupils in Room 15 are spending time this week becoming acquainted with encyclopedias. The fifth graders have found many interesting and valuable bits of information in these books.

AT CROCKER

The high eighth and low eighth grade of Crocker school are approaching the unit of "Living in the San Francisco Bay Area," by means of an interesting supplementary time line. This time line tells the students the sequence of events from Cabrillo in 1542, as the first white man who arrived in California, through 1869 when the "Big Four" were present to connect the railroad of the east and west. Although dates are not required for memorizing the constant relative sequence, will make a marked impression upon the students in their study of the background of the unit, as well

as instill in their minds the romantic history of their state—California.

Many of the pupils of Crocker school enjoyed last weekend away from home.

Jean Zanobini, Room 2, spent the weekend with relatives in Oakland.

Jimmy O'Connell, Room 3, spent last weekend at La Honda. George Constantine spent the weekend visiting in Redwood City.

Janet Wulf from Room 6 spent the weekend at Redwood City.

Sunday, Joan Sino went to La Honda to celebrate her grandmother's birthday.

AT JEFFERSON

Jefferson elementary enrollment continues to grow. It has now increased to 300.

This week, the school received many colorful War Chest posters from the War department. These posters will be placed in the school library in order to stimulate interest in the coming County War Chest drive. The children were also given attractive folders to take home. These folders described, by word and pictures, the wide range of War Chest activities.

The paper drive is proceeding with unusual vim and vigor. The third and fourth grades are still far in the lead. The children are getting considerable practice in addition and the use of scales in that room. They are taking no chances in having their poundage underestimated.

Last Tuesday morning the seventh grade children enjoyed a correlated language and art lesson. They wrote and illustrated stories telling about their various summer experiences.

The sixth grade children are making booklets with pictures and short stories dealing with their unit, "The Story of the Sea." Several of the boys constructed miniature boats of wood, cork and straw.

The fifth grade began their social science unit with the story of cotton. One of the children brought a cotton display for the room, and the entire class is making a map of the cotton belts of the world.

Through their health unit, children of the second and third grades are learning how to keep a healthy body. They began with the consideration of the study of teeth; the best way to cleanse them, how to massage the gums and to correctly brush their teeth.

The first grade is studying various types of homes.

Woodrow P. T. A. Hears Special Speaker

Members of Woodrow Wilson P. T. A. heard Mrs. Paul Holmelund discuss spastic paralysis at their Tuesday, September 19, unit meeting at Woodrow school. Mrs. Elsie Hesselein, president, conducted the meeting.

It was pointed out that hereafter advance reservations must be made for the executive board luncheon. Those planning to attend should call the hostess for each occasion.

A committee was named to try to secure a ration board to be located in Daly City. Chairman is Mrs. Hazel Marsh, assisted by Mrs. Ethel Saame, Mrs. Ida Hanley, and Mrs. Betty Eschenauer. Superintendent R. L. Crane jr. was present at the September 19 meeting and showed members the new type of report cards to be used this term. The unit expressed the opinion that they were much better than the former kind.

In October there will be no regular unit meeting for Woodrow. Instead, the Fathers Night meeting at Jefferson Union high school, Tuesday, October 17, will be considered the business meeting of the month for Woodrow. There will be an executive board meeting, Tuesday, October 10, 12:30 p. m. Mrs. Lena Banfield, 355 Woodrow street, will be hostess, and Mrs. Hesselein, co-hostess. It will be a luncheon meeting.

Emyidian Institute Plans Whist Party

At their business meeting, Tuesday evening, October 10, members of Emyidian Institute No. 154, Y. L. I., will make final arrangements for the whist party which they have planned for Friday evening, October 13, 8:30 o'clock at Holy Angels parish hall, San Pedro road. Mrs. Raye Grondona, chairman for the whist, issues an invitation for card players of the vicinity to attend.

At the last regular meeting of the institute secret pals were revealed. The organization took quarterly communion, Sunday, October 1, at the 7 a. m. mass. Later in the day the girls went to Mill Valley for a picnic.

Three Local Scouts In S. F. Parade

Three boys from Scout Troop No. 141 took part in the San Francisco War Chest parade, Saturday, September 30. They were Dan Anderson, Erick Durkins, Alfred Christensen, colorbearers. They carried an American flag, a troop flag, and a church flag in the gigantic procession.

Cubmaster Joseph Straughan reminds No. 141 Cubs that the first pack meeting since summer vacation will be held, tomorrow evening, October 6, 7 o'clock, at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues. All Cubs and all boys interested in joining the pack are asked to be present.

Both Scouts and Cubs of No. 141 are planning to attend the Sunday School picnic of Grace Church of the Nazarene, Saturday, October 7.

Pershing Unit Hears About Home Nursing

General Pershing P. T. A. members were told of the many advantages of taking the home nursing course offered by the San Mateo County chapter, American Red Cross, at their first meeting of the fall term, Tuesday afternoon, October 3, in Pershing school. Mrs. Hillyer Brown from the chapter speakers' bureau was the lecturer.

Superintendent R. L. Crane jr. attended the meeting and presented the unit with two serving trays. Miss Winifred McGrath, principal of Pershing, also greeted unit members.

Mrs. Louise Eliassen, president, opened the meeting at 1:30 p. m. Mrs. Sophie Evans led the salute to the flag; the Collect was read in unison; Mrs. Eva Derrick led the P. T. A. song.

Reports on Seventeenth district meetings were made: Mrs. Derrick told about the June meeting and Mrs. Eunice Robinson, about the September meeting. Mrs. Janet Delucchi reported on the War Bond and Stamp sale at the school and Mrs. Cecelia Hale described War Chest activities. Mrs. Enid Gold, membership chairman, plans to start the drive for new members, October 16. She will be the delegate to the October Seventeenth district meeting.

The unit will give a Hallowe'en party for youngsters of the school, October 31. Mrs. Marie Pool was named chairman. Mrs. Margaret Holzworth will be chairman of the magazine whist planned for Thursday, October 26, 1:30 p. m. at the school.

Miss McGrath's room won the P. T. A. banner for the month.

Anton Ness Dies

Anton Ness, who had many friends and acquaintances in Daly City, passed away, recently, in San Francisco. Funeral services were held, this afternoon, October 5, at W. C. Lasswell and company. Interment was at Cypress Lawn. Ness, who resided at 86 Whittier street, died suddenly. He is survived by his wife, Mrs. Gunda Ness; his children, Orville, Selmer, and George Ness and Mrs. Alma Olsen; his brother, Oscar Ness. He was a member of Carpenter's Union, Local No. 22.

Native Sons Initiate Candidates

Eleven candidates were initiated into membership in the Native Sons of the Golden West at joint ceremonies held by El Carmelo Parlor No. 256, Daly City, and Twin Peaks parlor, San Francisco, Wednesday, September 27, at Masonic hall, 17 Hillcrest drive. Refreshments were served and a social enjoyed at the close of the program.

Next meeting of El Carmelo Parlor will be held, Wednesday, October 11, at Masonic hall. James Mullen will preside.

Crocker P. T. A. Secures Guest Speaker

Mrs. Charles Rayburn, director of extension for Seventeenth district, California Congress of Parents and Teachers, will be guest speaker at the Tuesday, October 10, meeting of Crocker P. T. A. Mrs. Margaret Holzworth, president, will open the regular monthly unit meeting at 1:30 p. m. in Crocker school.

Crocker unit will participate in the Fathers Night meeting at the high school, Tuesday, October 17.

The sewing club of Crocker P. T. A. met Tuesday, October 3, at the home of Mrs. Olga Bordson, 614 Templeton avenue.

Eagles Arrange For Hallowe'en Dance

An unusually large attendance was reported for the September 28 meeting of Colma Vista Grande Aerie No. 1848, F. O. E., at Little Italy hall, 6229A Mission street. Principal subjects of discussion were the next initiation and the Hallowe'en party.

The initiation will be held, Thursday, October 19, and it is hoped to have a large class of candidates as the event will be in honor of the secretary and past president, William P. Bolger.

The Hallowe'en party and dance will be held at the regular meeting hall, Saturday evening, October 28. Committees have already been appointed to make all arrangements for the festive occasion.

Specialist Stresses Importance Of Feet

The importance of strong, healthy feet in well fitting shoes cannot be over stressed, according to Miss Ethelwyn Dodson, extension specialist in clothing, Agricultural Extension service, University of California.

"The foot is a human machine providing the body with natural locomotion. Like all machines, the better it is understood and cared for, the better it performs. Unlike man-made machines, worn parts cannot be replaced," Miss Dodson said.

"Shoes should furnish protection, not interfere with growth and development, hinder efficiency of movement, or cause pain," she pointed out.

Miss Dodson has prepared a leaflet, "Feet and Shoes," which covers the subject thoroughly. She discusses buying shoes; shoes for the first seven years and from eight to eighty; hosiery; care of the feet, and care of shoes.

Those interested may obtain this leaflet, without cost, from the Agricultural Extension service, University of California, Berkeley, or from the Agriculture Extension Service offices in the counties.

Adams Center Announces Courses

Public speaking, lip reading, and practical short story writing for adults are now available along with all grades of Gregg shorthand, typing, office practice, Comptometer, bookkeeping, and office machines from 8:30 in the morning until 3:30 in the afternoon at the Adams Adult center, 750 Eddy street (near Van Ness).

Adams Adult center is a part of the San Francisco public schools system. Classes are free. The work is all practical and applied, and students from the school qualify for highest paying positions in their field.

New students may enroll in all the classes for short-term rapid instruction so as to fit into the field in which they desire to work in the shortest possible time, Carl F. Bash, principal, announced today.

With fall weather and the rainy season starting, your car can be of greater convenience than ever. Get the full benefit of its use at low cost by coming here for repairs and regular service.

MEAT IS ESSENTIAL

7 GOOD REASONS FOR Meat on the Table

1. Meat for Complete Proteins.
2. Meat for B Vitamins.
3. Meat for Iron and Copper—build good, red blood.
4. Meat for Phosphorus—a dietary essential.
5. Meat for Easy Digestibility.
6. Meat for Palatability.
7. Meat for "Satiety Value"—that lasting satisfaction after the meal.

The meat rationing system was worked out to insure each family's getting a fair share of the civilian meat supply. Your government recognized the fact that meat is necessary for the health of every person in the country.

Don't neglect this important food in meal planning, simply because it may not be convenient to purchase. Spend your red points wisely, for sensible cuts of good meats. Let FARMERS' quality be your guide.
